

# Haringey Council, London

Haringey Council appointed **Jam** to provide advice on sustainability and planning issues from January 2012 - 2014. The role included reviewing the Sustainability Appraisals (SA) that were prepared in support of the Core Strategy (CS) as well as undertaking a review of the previous SAs for the Development Management and Site Allocations Development Plan Documents (DPDs) and the preparation of new SA reports.

**Jam** also prepared tender briefing documents for specialist pieces of work and responses to Government consultations on behalf of the Council.

## Project:
